ATTENDANCE

Students are expected to report to all classes, group meetings, lunch, assemblies and all other assigned areas on time.

SCHOOL DAY

The school day begins at 7:40 a.m. with the first bell. The building will be open to students starting at 7:10 a.m.

The day ends at 3:00 p.m., and students are expected to go directly to the bus waiting area or exit the building immediately unless involved in extracurricular activities.

GUIDELINES

A student is allowed a total 10 absences from school. The parents/guardians are notified, by mail, upon 5, 7, and 10 days absences. The parent is expected to notify the school within 24 hours of any absence. The school contacts parents when absences are not reported. Failure to notify the school will result in the student being marked unexcused and truant.

Habitually absent and/or truant students, having failed to attend school as required on ten or more occasions, will be subject to referral to the Office of the Prosecutor.

In response to P.L. 90-2011, the Indiana Department of Education (IDOE) has developed the following update to the Attendance Guidelines that will be followed by GCS:

RATIONALE

GCS ATTENDANCE POLICIES UNDER INDIANA LAW

IC 20-33-2-27 – Sec. 27. (a) It is unlawful for a parent to fail to ensure that the parent’s child attends school as required under this chapter. IC 20-33-2-11 – Sec. 11. (b) (1) a definition of a child who is designated as a habitual truant, which must, at a minimum, define the term as a student who is chronically absent, by having unexcused absences from school for more than ten (10) days of school in one (1) school year. IDOE Guidelines – In response to P.L. 90-2011, the Indiana Department of Education (IDOE) has developed the following Attendance Guidelines that will be followed by Greensburg Schools.

Pursuant to 1.C. 20-33-2-3.2, “attend” means to be physically present: (1) in a school; or (2) at another location where the school’s educational program in which a person is enrolled is being conducted; during regular school hours on a day in which the educational program in which the person is enrolled is being offered.

HABITUAL ABSENCE

Under IC 20-33-2-25, the “Superintendent or an attendance officer having jurisdiction **shall** report a child who is habitually absent from school in violation of this chapter to an intake officer of the juvenile court **or the department of child services**. The intake officer or the department of child services shall proceed in accord with IC 31-30- through IC 31-40.”

Greensburg Junior High School

EXCUSED ABSENCE

Excused absences are defined as absences that the school corporation regards as legitimate reasons for being out of school, as included in the school policy. These could include:

- Illness verified by note from parent/guardian within 24 hours of absence. (Excessive absences may require a doctor's note along with a parent call.)
- Illness verified by note from physician
- Family funeral
- Maternity
- Military Connected Families (e.g. absences related to deployment and return)

UNEXCUSED ABSENCE

An unexcused absence is any absence not covered under the definition of excused or exempt.

EXEMPT

Under certain circumstances, the law requires the school to authorize the absence and excuse of a student: serving as a page or honoree of the General Assembly (IC 20-33-2-14); serving on the precinct election board or as a helper to a political candidate or party on the day of a municipal, primary or general election (IC 20-33-2-15); when subpoenaed to testify in court (IC 20-33-2-16); serving with the National Guard for no more than 10 days (IC 20-33-2-17); or serving with the Civil Air Patrol for up to 5 days (IC 20-33-2-17.2). In each of these circumstances, the student is excused from school and is not to be recorded as absent, and is not to be penalized in any way by the school. The governing body of a school corporation may authorize the absence and excuse of a student who attends any educationally related non-classroom activity if the activity is consistent with and promotes the educational philosophy and goals of the school corporation; facilitates the attainment of specific educational objectives; is part of the goals and objectives of an approved course or curriculum; represents a unique educational opportunity; cannot reasonably occur without interrupting the school day; and is approved in writing by the school administrators (IC 20-33-2-17.5) Certain school trips fall under this exception, as well as individual student absences. Students have been excused from attendance to participate in various academic bowls, band or orchestra trips, for attendance at local, state, or federal government proceedings, or to hear various public speakers or performers. To review this statute in its entirety, refer to:
<http://www.in.gov/legislative/ic/code/title20/ar33/ch2.html>.

TARDINESS TO CLASS

1. Students who arrive at school after classes are in session must report to the main office for an admit slip and will be marked either excused or unexcused for being tardy. If unexcused the student will immediately receive a demerit mark.
2. When a student arrives late for any class, he/she will receive a demerit as outlined in the Greensburg Junior High Discipline Plan.
3. Students who have been detained by a teacher should request a pass to their next class.

Greensburg Junior High School

CANCELLATION POLICY

In the event of severe weather or other emergency conditions the superintendent, or his designee, is authorized to cancel school, delay the starting time, or release students early. The normal practice is for notification of school cancellation to be made by approximately 6:00 a.m. on WTRE (1330 AM) radio. Other radio and television stations will be contacted as appropriate and feasible and the One Call System may be used. Special conditions may require or allow other notification times and methods.

DELAY

Conditions may indicate a two-hour delay would be advisable to provide for both safety and school attendance. Bussed secondary students will be picked up two hours later than their regular time. Classes would begin at the junior high at 9:50 a.m. Regular school ending times will be used for all students. When an early release is necessary, an announcement will be made on WTRE, and in the Greensburg Daily News, if feasible. When any modification of pupil attendance is made, each building is to make the appropriate adjustments in program, transportation, student activities, etc.

TRANSPORTATION TO AND FROM SCHOOL

By statute the act of going to and from school is considered a school activity and is therefore under the guidance of school policies.

BUS RIDING

Proper bus conduct is expected. Surveillance cameras are installed on all school buses. There should be no reason for a student to be either late or absent from school due to lack of transportation if the rules below are followed.

School bus transportation is a privilege. Students who ignore safety rules or engage in disrespectful activities may receive a verbal warning, written warning, be suspended from riding the bus, or be denied their bus riding privileges. In the event a student is suspended from riding the bus, the parent and/or guardian shall be responsible for arranging transportation for his or her child to and from school.

Please note: No adult, including parents or guardians are allowed to board a school bus for any reason at any time. If you have a concern, please contact your child's school bus driver, building administrator or the Greensburg Community School Administration Office. For additional information regarding the Greensburg Community School Corporation Policies, Rules, and Guidelines for safe school bus transportation please refer to our school website or contact your child's building administrators.

DROP/PICK UP

Please drop off/pick up all students in the circle drive located at the front of the building.

Greensburg Junior High School

Do not drop off/pick up students near the bus lot on North Street.

VISITORS

ALL VISITORS MUST REPORT TO THE MAIN OFFICE AFTER ENTERING DOOR #1. Please have a state issued identification available. Visitors must have permission from an administrator and must display a visitor's pass to walk through the hallways or go to classrooms. Any student wishing to have a visitor accompany him/her to class, lunch, etc. must arrange the visit 24 hours in advance through an administrator and the teacher(s) involved. The reason for the visitation must be based on an educational purpose.

Parents/Guardians are always welcome, but we ask that they report directly to the main office when they enter the building. Appointments may be scheduled in advance by phone. If parents/guardians wish to spend time in classrooms, we request the opportunity to give teachers a 24 hour notice. Parents who wish to speak to their child must report to the office.

FREE/REDUCED LUNCH AND TEXTBOOK ASSISTANCE

Free/Reduced lunch and textbook assistance forms are available for students when they register at the beginning of school. Families are encouraged to apply, if they feel that they may qualify for these services.

STUDENT RECORDS

Student records are governed and controlled by adopted policy to comply with provisions of the "Family Educational Rights and Privacy Act of 1974" (20 U.S.C. 1232g) and the regulations of Departments of Education and Health and Human Services. Student records are accessible to parents upon request.

ENROLLMENT POLICY

NEW STUDENTS

GCS enrollment policy stipulates that any student living in the Greensburg Community School District who is under the age of 18 should be enrolled for classes prior to the first day of school. Any student who transfers from another school district should make arrangements to enroll for classes immediately upon moving into the Greensburg school district. A student who enrolls after the start of school positions himself/herself to be enrolled in school but possibly not be able to receive credit. The time factor involved in how soon a student enrolls after the start of school will be reflected in the student's grade and in his/her ability to receive credit for classes. It is the belief of the school that missed class time and work will have a direct relationship on the education and learning of a student, thus being reflected in the student's grade.

Any student who is expelled from a public or nonpublic school in Indiana or from a school in a state other than Indiana (or who withdraws to avoid expulsion) may not enroll in GCS during the actual or proposed expulsion period.

CHANGE OF ADDRESS/PHONE

Greensburg Junior High School

If at any time during the school year a student moves to a different address in the county, the change must be reported to the main office. Also, change in telephone number must be reported.

WITHDRAW OUT OF CORPORATION

In order for all necessary records to be completed, parents are requested to contact the main office two days prior to the date of withdrawal stating their intention. Students are required to turn in their school issued computer and any other school owned materials the last day in attendance at school. School records shall be transferred within fourteen (14) days to the new school corporation.

A student under the age of eighteen (18) may not withdraw from school before graduation unless:

1. The student, the student's parents/guardians and the principal agree to withdrawal; and,
2. At the interview, the student provides written acknowledgment of withdrawal and the student's parents/guardians provide written consent for the student to withdraw from school. In keeping with school policy, every attempt will be made to contact the parents/guardians/spouse, when any student (regardless of age) withdraws from school.

TRANSFER OF OUT-OF-DISTRICT STUDENTS

In addition to students with legal settlement in the Corporation, students without legal settlement in the Corporation (hereafter referred to as "transfer students") will be enrolled in compliance with IC 20-26-11-32 and the following procedure:

- A. By June 1, the Board will establish the number of transfer students that can be accepted in each building and grade level.
- B. The Board will establish a date by which requests to enroll a transfer student must be submitted to the Superintendent. This date shall be submitted to the Indiana Department of Education and published on the Corporation Internet website. This date is June 1.
- C. Requests to enroll a student without legal settlement in the Corporation shall not be denied if the student to be transferred:
 - a. Has been enrolled in the Corporation in the prior school year;
 - b. Is a member of a household in which any other member of the household is a student in the transferee school; or
 - c. Has a parent who is an employee of the Corporation.
- D. If the number of requests to enroll in each building and grade level exceeds the number established by the Board reduced by the number of transfers that may not be denied as described in paragraph (C) above, the students to be enrolled in each building and grade level shall be determined by random selection in which each application submitted on or before the date established by the Board pursuant to paragraph (A) above has an equal chance of being selected.

Greensburg Junior High School

An application to transfer to the Corporation may be denied if the student has been suspended (as defined in IC 20-33-8-7) or expelled (as defined in IC 20-33-8-3) during the twelve (12) months preceding the student's request to transfer for:

- A. ten (10) or more school days;
- B. possession of a firearm, deadly weapon, or a destructive device as described in IC 20-33-8-16;
- C. causing physical injury to a student, a school employee, or a visitor to the school; or
- D. a violation of a school corporation's drug or alcohol rules.

For purposes of computing the number of days of discipline of the student requesting enrollment, student discipline received from a teacher pursuant to IC 20-33-8-25(b)(7) for a violation described in subdivisions (2) through (4) shall be included in the calculation of the number of school days that a student has been suspended.

No transfer student shall be accepted for enrollment for athletic reasons.

IC 20-18-2-11 (legal settlement defined)

IC 20-33-2-12 (transfer to another accredited or non-accredited school)

IC 20-33-8-17 (expulsion for lack of legal settlement)

IC 20-26-11-1 (residence defined)

IC 20-26-11-6(e) (option to not charge transfer tuition)

IC 20-26-11-32 (lottery selection of student transfer requests, HEA 1381 – 2013)

CHILD CUSTODY

Greensburg Community Schools utilize the following procedures concerning child custody. Any questions concerning documents need to be directed to the main office.

1. In case one parent asks that the children not be allowed to leave the school with the other parent, a custody paper restraining order, or some other legal document should be in the child's permanent record at school.
2. Legal opinion states that either parent has equal rights to the child unless one of the above-mentioned legal documents has been issued.
3. In the event that a parent says they have such a document at home, it becomes most imperative that the document or notarized copy be brought in within a short period of time to be included in the child's school records.

AUTHORITY OF SCHOOL EMPLOYEES

All adult employees of the Greensburg Community Schools have certain responsibilities to the schools and in order to carry out these responsibilities they have certain authority granted to them. Included in this authority is the authority to correct students when the need arises. If any student is corrected by an adult employee, whether the employee is faculty, clerical, cafeteria,

Greensburg Junior High School

or custodial, the student is expected to accept such correction as though the principal were giving such correction.

RIGHT TO INSPECT INSTRUCTIONAL MATERIALS

The parent or guardian of any child enrolled in the Greensburg Community School system is entitled to inspect any instructional materials, which will be used in connection with a survey, a personal analysis, or an evaluation, which is not a direct part of the academic instruction.

Instructional materials include teachers' manuals, student texts, films, and videotapes, pictures, school issued electronic devices and accounts.

Any complaints arising under this policy may be submitted in accordance with the policy for parental (public) complains.

20.U.S.C. 1243h(a)

STUDENT SUBMISSION TO SURVEYS, PERSONAL ANALYSIS, OR EVALUATIONS OF SCHOOL CURRICULUM

No student shall be required, without parental consent, to submit to a survey, a personal analysis, or an evaluation not directly related to the academic instruction which reveals information concerning:

1. Political affiliations, religious beliefs or practices
2. Mental or psychological conditions that may embarrass the student or his/her family
3. Sexual behavior and attitudes
4. Illegal, anti-social, self-incriminating or demeaning behavior
5. Critical appraisals of other individuals with whom the student has a close family relationship
6. Legally recognized privileged or confidential relationships
7. Income (except as required by law to determine eligibility for participation in programs or financial assistance)

Any consent form used in compliance with this policy must state the contents and nature of the personal analysis, survey, or evaluation.

HEALTH SERVICES

If a student becomes ill at school, has an accident or other emergency, he/she should report to the office/nurse. The nurse or office personnel will contact the parents and make arrangements for the student to go home if needed. Under no circumstances is the student to make these arrangements or leave school without the proper permission from the nurse/office or principal. Emergency medical information should be filled out and on file in the office. It is vital that this information be filled out so that the school can treat and transport a student to the hospital in an emergency situation. Every effort will be made to contact the parent if a health emergency exists. If a parent cannot be reached, there are spaces on the form to list other names to contact in an emergency. The parent should notify these people that their names appear on the form and provide the people named with written permission to start medical treatment if necessary.

Greensburg Junior High School

HEALTH CLINIC

Greensburg Community School maintains a clinic facility in case of student illness or injury. The clinic is to be used for legitimate illness or injury and the procedures are as follows:

1. A student must obtain a pass from his/her classroom teacher unless extenuating circumstances exist.
2. A student who becomes ill or injured must check in through the main office secretaries.
3. Repeated use of the clinic facilities will be monitored.
4. The office secretary is the point of check out for injured or ill students who are leaving school. Parents/Guardians will be notified in situations where the student must leave the school grounds. The student will not make those arrangements.

MEDICATION

A student must register all prescription and nonprescription medications with the main office secretaries. If the following guidelines are not met, medication will not be given at school.

- a. Written instructions by the physician must be on file and the parent/guardian must send a daily permission slip requesting the medication be given, the amount to be given and the time to be given.
- b. All medications prescribed must be kept in the original container with pharmacy label, name and address of patient, the name and strength or size of the drug or device, the amount to be dispensed, adequate directions for the proper use of the drug or device by the patient and the name of the practitioner. The druggist will usually provide an identical container when requested to do so.
- d. There will be no standing order for medications (i.e. aspirin, Tylenol, cough syrup, antacid, inhalants, etc.) to be brought to school and kept there to be given as needed without proper authorization from the physician and parent and following instructions previously listed.
- e. Over-the-counter medication must be sent in the original container which is labeled with the student's name and accompanied each day with a permission note from the parent including the name of the medication, the amount to be given and time to be given.

Pertinent health/special needs information which may affect a student in the school environment will be shared with appropriate staff.

The school is not responsible for the cost of transportation to the hospital or for the costs of treatment at the hospital should that be necessary. Students will only be transported with permission or in a life-threatening situation.

IMMUNIZATION

Whenever a student enrolls the parents must furnish a written statement of the student's immunizations, accompanied by a physician's certificate or other documentation of testing history. This requirement may be enforced by suspension or expulsion from school.

Greensburg Junior High School

HEAD LICE GUIDELINES-GCS

Any child identified with active head lice infestation will be sent home. Parents will be contacted by phone and/or letter to notify them, and treatment for the child will be required before returning to school. Treatment guides and health information about lice will be sent home with the child. Medicated shampoo will be available through school or through the Department of Health for those not able to afford it. Medication will not be sent home with the child.

All others will be allowed to stay in the classroom, but will be discouraged from head to head contact with other children. The student's siblings will be checked for head lice. The child will continue to be checked by the school nurse until he/she is clear of any signs of head lice.

Rationale for change in Lice Guidelines: When a case of lice is identified, the person has likely had the lice for a month or more by the time it is found. Lice do not cause disease or illness.

Lice are mainly a nuisance. Lice do not fly or jump; they crawl. Most times lice are spread from one person to another by head to head contact. Lice can rarely be spread by shared hats, combs, or brushes. Healthy lice do not leave their food source (a scalp) unless another warm scalp is present. Adult lice survive for less than one day away from their food source. An egg (nit) cannot hatch at temperatures less than the body temperature of the scalp. "No nit" policies have been found to cause children to miss valuable school time. Classroom head lice screening programs have not been shown to be effective in reducing lice incidence in schools and they are not cost-effective. **(Based on guidelines from the American Academy of Pediatrics and the National Association of School Nurses)**

DRUG-FREE SCHOOL PLAN

The use of any mood-altering substance (such as alcohol, amphetamines such as that found in some diet and caffeine pills, etc.) results in negative effects on behavior in the learning environment. Greensburg Community Schools have made a commitment to drug and substance abuse education and to offer a supportive environment that encourages healthy lifestyles. Through our efforts to know our students, and to work cooperatively with community resources, we will continue to have a school environment that is safe, drug free, and that provides a resource for students who may have a substance abuse problem.

A student shall not use or consume, have in his or her possession, buy, sell, or give away any controlled substance. This policy does not apply to medication prescribed by a physician.

SMOKE-FREE SCHOOL PLAN

No tobacco, electronic cigarettes, vaporizers, or like device are permitted in any Greensburg Community School building where instruction or extra-curricular events take place.

THE HATCH ACT

Students are prohibited from bringing firearms to school buildings or property. The penalty for disregarding this is expulsion for a minimum of one year. Modification of the expulsion penalty with respect to the violation of bringing a firearm to school is subject to consideration only by the

Greensburg Junior High School

hearing examiner, the Superintendent, or the school board in compliance with the Indiana Code requirements for student expulsion.

ASBESTOS

In compliance with public law 99-159, an annual statement of asbestos content is to be disclosed for each school building. If you have questions regarding asbestos at schools in the Greensburg Community School Corporation, please contact the Administrative Office for information.

PESTICIDE NOTIFICATION

It is the goal of Greensburg Community Schools to have all pesticides applied during the school breaks throughout the school year. If by chance we would need to make an emergency application during normal school hours and you would like to be put on our Pesticide Notification Registry, please contact Mr. Tim Kane, Director of Maintenance at Greensburg Community Schools Administrative Office (812)663-4774 ext.1917.

EXCUSED FROM PARTICIPATION

If it is necessary for a student to be excused from a classroom activity for medical reasons, the student should have a parent-signed request to give to the teacher. If the request is for an extended period of time, the student may be requested to obtain a physician's statement.

PASSES FOR LEAVING SCHOOL

1. Students are not permitted to leave the school grounds at any time during the school day without a permit from the office. Failure to follow the proper procedure will be considered truancy.
2. Students are not allowed to leave school for lunch, unless a parent-signed permission slip is on file in the main office for the student to go home for lunch.
3. Students are permitted to leave school for lunch only with their own parent. No student will be permitted to leave with another student.
4. Parents must call or send a note to the office stating the date, time, and place prior to an appointment. The student will be called to the office when the parent arrives. When the student returns to school following the appointment, they should report to the office for an admittance pass to class.

CONDUCT IN THE HALLS

1. Go promptly from one class to the next remembering to walk at all times.
2. Keep to the right in passing through the halls.
3. Avoid gathering in the halls, which blocks student traffic.
4. No food, hats, bandanas, loud noises, physical contact or other actions that would be regarded as inappropriate behavior.

DRESS CODE

Greensburg Junior High School

The way one dresses has an effect on behavior and the quality of school work, and that is a reflection upon GCS. Students should dress and groom themselves in keeping with a sense of appropriateness, cleanliness, decency, pride and safety. Following is the GCS dress code:

1. Dress should reflect personal pride - Clothing worn by students should be in good taste, in good repair and clean. It should not be revealing, distracting, suggestive, or disruptive to the educational process. Dress should reflect respect for others - Clothing that advertises tobacco, alcohol and/or drugs, clothing that is lurid, vulgar, profane or sexually suggestive, or clothing that is demeaning to race, religion or sex is not permitted.
2. Dress should reflect pride in the school facility - Generally, any article of clothing that may cause damage to school property may not be worn (Example: cleats or rollers on boots or shoes; long, heavy chains; and spiked apparel).

CODE OF CONDUCT

In order to participate in the Greensburg Junior High athletic program, a student is expected to maintain certain standards. All school policies apply to student athletes.

Each individual athlete must agree to abstain from knowingly possessing, using, transmitting, or being under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, or intoxicant of any kind throughout the calendar year. Also, he/she must agree to abstain from knowingly possessing, using or transmitting tobacco products including an electronic

cigarette, vaporizer, vapor pen, mod box, or any item that closely resembles or is represented to be any of the foregoing items. If an athlete is found to be in violation of this noted responsibility as determined by a member of the coaching staff and/or administrative personnel, all school rules for the individual will apply.

Please realize the following:

Clothes may not be worn to home or away events that call undue attention to the individual.

Coaches may develop a dress code for their individual teams regarding home and away events.

Practice clothing should follow the same rules.

TRUANCY: There will be a suspension of one contest for the first truancy. A second truancy during a school year may automatically make an athlete ineligible for participation in athletics at Greensburg Junior High for that particular year.

DETENTION: Two detentions of any length will not cause an athlete to miss any games according to the athletic department detention rule. However, coaches can institute playing time rules based on missed practice time while the athlete serves detention. On the third detention, the athlete will not be permitted to participate in the contest immediately following the served detention. The same rule, missing a contest, will pertain to the fourth detention. On the fifth detention, the athlete will be removed from the team. The detention policy starts over each season.

SUSPENSION: A suspended athlete will miss one contest for each day of school for a first suspension. A second suspension may result in an athlete being removed from a team or not being permitted to try out for a team.

PROFANITY OR UNACCEPTABLE LANGUAGE: A coach will handle language at practices. If an athlete uses unacceptable language at a game that results in a technical foul, official reprimand, or removal from a game, the athlete will be suspended for the next contest.

FIGHTING ON SCHOOL PROPERTY: Will be handled according to the rules of the discipline code. The school administration can also remove an athlete from a team if thought to be necessary.

ATHLETIC AWARDS

To receive a school letter the athlete must complete the season in good standing. The athlete removed will not attend the reception or awards program.

SCHOOL LETTER

First Season: A school letter and insert will be awarded at the conclusion of the first season. A blue letter is presented to male athletes in grades 6, 7, and 8. A white letter is presented to female athletes in grades 6, 7, and 8.

Continued Seasons: Only an insert is presented.

Greensburg Junior High School

All Sports Award: Given to any 8th grade athlete who has received 6 or more athletic letters (must participate in 3 different sports to qualify) in the 6th, 7th and 8th grades. Dance Team does not count toward the All Sports Award. Any student who has been dismissed from any athletic team for any reason during their 6th, 7th or 8th grade seasons cannot receive an ALL SPORTS AWARD.

FREELAND AWARD: Given to an 8th grade male and female athlete by a vote of coaches and administration. Basically given for being the “most valuable athlete”. Naturally, each coach will consider citizenship, attitude, work ethic, and many considerations in their choice.

TRANSPORTATION PROCEDURES FOR AWAY GAMES/CONTESTS/FIELD TRIPS

A student may ride home with his/her parent/guardian after they have communicated with their coach or sponsor and have signed the “Contest Dismissal Form” for liability purposes.

A student/athlete may ride home with another parent only if they have provided a written note from their parent/guardian. If a student/athlete does not provide the necessary documentation to the administration or coach/sponsor, he/she is required to ride home on the bus. Failure to ride home on the bus may result in disciplinary action.

COMPUTER, NETWORK, AND INTERNET USER AGREEMENT

Student Acceptable Use Policy for school technology equipment, the school computer network and the Internet.

Our goal in providing this service to students and teachers is to promote educational excellence in schools by facilitating resource sharing, innovation and communication. GCS has taken precautions to restrict access to controversial materials. However, on a global network it is impossible to control all materials and an industrious user may uncover controversial information. Greensburg Community Schools currently is using a software package to provide internet filtering. The software has the capability to track usage and attempts to access web pages by user. The information can be used to terminate privileges and can become public knowledge.

The smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. In general, this requires efficient, ethical and legal utilization of the network resources.

Internet access is provided to all students of Greensburg Community Schools. Use of the Internet is a privilege, not a right. The Corporation’s Internet connection is provided for educational purposes only. Unauthorized and inappropriate use will result in cancellation of this privilege.

Any violation of the terms and conditions set forth in the Policy and Guidelines is inappropriate and may constitute a criminal offense. As a user of the Corporation’s computers/network and the Internet, the student agrees to communicate over the Internet and the Network in an appropriate manner, honoring all relevant laws, restrictions, and guidelines.

Do not demonstrate the problem to others. Any user identified as a security risk or having a history of problems with other computer systems (example: in another computer lab) may be denied access to the computer lab.
- 5) Vandalism will result in the cancellation of privileges. Criminal Organizations and Criminal Organization Activity

The School Corporation adopts this policy pursuant to State law in order to address the detrimental effects of criminal organizations and criminal organization activity on its students, demonstrate its commitment to preventing and reducing criminal organization membership and eliminating criminal organization activity, educate Corporation students, employees, and parents about criminal organizations and criminal organization activity, and comply with State and Federal laws and regulations.

The Corporation prohibits criminal organization activity and similar destructive or illegal group behavior on Corporation property, on buses owned by the Corporation or used to transport Corporation students, and at school-sponsored functions. The Corporation prohibits reprisal or retaliation against individuals who report criminal organization activity and similar destructive or illegal group behavior or who are victims, witnesses, bystanders, or others with reliable information about an act of criminal organization activity and similar destructive or illegal group behavior.

The following definitions apply to this policy:

A. "Criminal organization", as used in this policy, means a formal or informal group with at least three (3) members that specifically:

(1) either:

- (a) promotes, sponsors, or assists in;
- (b) participates in, or
- (c) has as one of its goals; or

(2) requires as a condition of membership or continued membership the commission of a felony or an act that would be a felony if committed by an adult or the offense of battery (IC35-42-2-1).

B. "Criminal organization activity," as used in this policy, means to:

1. actively participate in a criminal organization;
2. knowingly or intentionally commit an act:
 - a. with the intent to benefit, promote, or further the interests of a criminal organization; or
 - b. for the purpose of increasing the person's own standing or position within a criminal organization

 - c. wishes to withdraw from a criminal organization;when engaged in by a student who attends a Corporation school.

All Corporation employees shall report any incidence of suspected criminal organization activity, to the principal and the school safety specialist. As well, students and parents, who choose to do so, may report an incident of criminal organization activity to the principal. The principal and the school safety specialist may take appropriate action to maintain a safe and secure school environment, including providing appropriate intervention services.

A Corporation employee who in good faith reports an incident of suspected criminal organization activity in compliance with the procedures of this policy and any Corporation employee, parent or student who in good faith participates in any judicial or other proceeding resulting from the report or relating to the subject matter of the report is immune from any civil or criminal liability for damages arising from his/her actions.

Each school principal or designee shall conduct a thorough and complete investigation of each report of suspected criminal organization activity and each report of reprisal or retaliation. The principal or designee shall initiate the investigation promptly but no later than two (2) instructional days of the report of the alleged incident. The principal may appoint additional staff and the principal or designee may request the assistance of law enforcement to assist in the investigation for the safety of the administration, Corporation staff, or students. The investigation shall be completed and written findings prepared by the principal or designee as soon as possible, but no later than five (5) instructional days from the date of the report of the alleged incident.

The principal or designee shall submit the report to the Superintendent within ten (10) instructional days of completing the investigation. The Superintendent shall report the results of each investigation to the Board on a quarterly basis during its scheduled Board meetings.

The Superintendent is authorized to issue guidelines to define the range of ways in which Corporation staff and the principal or designee shall respond once an incident of criminal organization activity is confirmed, according to the parameters described in the Corporation's code of student conduct. The Board recognizes that some acts of criminal

Greensburg Junior High School

organization activity may be isolated incidents requiring that the school officials respond appropriately to the individuals committing the acts while other acts may be so serious or involve individuals outside the school that they require a response by local law enforcement officials.

Appropriate consequences and remedial action will be imposed when students are found to have engaged in criminal organization activity, criminal organization intimidation, or criminal organization recruitment on Corporation property, while riding on Corporation buses or buses used to transport Corporation students, and at school-sponsored events or when they are found to have engaged in retaliatory conduct towards a Corporation employee or student who reported an incident of criminal organization activity, according to the severity of the offense and considering both the developmental age of the student offender and the student's history of inappropriate behavior, per the code of student conduct. Consequences and appropriate remedial action for a student who engages in criminal organization activity may range from positive behavioral interventions up to and including suspension or expulsion. Incidents that result in the expulsion of a student(s) or alternative school placement of a student(s) will be referred to the local law enforcement officials for further investigation. The principal shall proceed in accordance with the code of student conduct, as appropriate, based on the investigation findings and the Superintendent's guidelines. As appropriate, the principal may provide intervention and/or relevant support services (i.e., refer to counseling, establish training programs to reduce criminal organization activity and enhance school climate, enlist parent cooperation and involvement or take other appropriate action). The principal shall inform the parents of all students involved in alleged incidents as provided below, and, as appropriate, may discuss the availability of counseling and other intervention services.

The principal shall provide the parents of the students who are parties to any investigation with information about the investigation, in accordance with Federal and State laws and regulations. This information includes the nature of the investigation, whether the Corporation found evidence of criminal organization activity, and whether consequences were imposed or services provided to address the activity. This information is to be provided immediately upon completion of the investigation and issuance of written findings by the principal or designee.

Each school principal or designee shall record the number of investigations of criminal organization activity disposed of internally and the number of cases referred to local law enforcement (disaggregated by race, ethnicity, age, and gender) and report this information to the Superintendent before May 30th of each year.

The Superintendent shall submit a written report to the Indiana Department of Education, on forms developed by the Department, before June 2 of each year outlining the activities undertaken as part of the Corporation's compliance with IC20-26-18. This report shall include the number of investigations of criminal organization activity disposed of internally and the number of cases referred to local law enforcement for the entire Corporation in the past year, disaggregated by race, ethnicity, age, and gender.

In its efforts to address criminal organization activity, the Board establishes the following educational programs:

Greensburg Junior High School

- A. An evidence-based educational criminal organization awareness program for students, Corporation employees and parents; and
- B. A Corporation employee development program to provide training to Corporation employees in the implementation of this policy.

The Superintendent shall provide information about the supports and services available for students who are “at risk” for and/or suspected of participating in criminal organization activity and their families, including:

The Superintendent shall ensure that this policy is posted on the Corporation’s internet website and annually disseminate this policy to all parents who have children enrolled in a school within the Corporation. This may be done through distribution of student handbooks.
